United States Magistrate Judge, Southern District of New York
Daniel Patrick Moynihan Courthouse
500 Pearl Street, Room 750
New York, New York 10007

APPLICATION GRANTED: The Court Reporter is directed to redact the passages highlighted on pages 24-26, 30, 33 and 35 in transcript that is attached as Exhibit 1.

APPLICATION GRANTED

Hon. Katharine H. Parker, U.S.M.J.

05/21/2021

Re: *Spectrum Dynamics Medical Limited v. GE*; Case No.: 18-cv-11386 (VSB)

Dear Magistrate Judge Parker:

We represent Plaintiff Spectrum Dynamics Medical Limited (“Spectrum”) in the above-captioned matter. On behalf of Spectrum, we write pursuant to Federal Rule of Civil Procedure 5.2(e), Your Honor’s Individual Rule of Practice III(d), and the parties’ Stipulated Confidentiality and Protective Order (the “Protective Order”) (DI 156) to request that several passages contained in Document Number 256, the transcript of the parties’ appearance before Your Honor on April 28, 2021, be redacted and filed under seal. Spectrum respectfully requests that before the transcript is made publicly available, the court reporter be directed to redact the passages highlighted on pages 24-26, 30, 33, and 35 as set forth in Exhibit 1 hereto.

The presumption of public access to judicial documents can be overcome if countervailing factors warrant confidentiality. *See Lugosch v. Pyramid Co. of Onondaga*, 435 F.3d 110, 120 (2d Cir. 2006); *see also Nixon v. Warner Commc’ns Inc.*, 435 U.S. 589, 598 (1978). Sealing of records may be justified to preserve “higher values,” including the need to protect an entity from competitive injury. *Lugosch*, 435 F.3d at 124; *see also Tropical Sails Corp. v. Yext, Inc.*, No. 14-cv-7582, 2016 U.S. Dist. LEXIS 49029, at *10-11 (S.D.N.Y. Apr. 12) (risk of “competitive injury is sufficiently serious to warrant protection” of proprietary business information). Consistent with this, courts routinely permit sealing and redaction of competitively sensitive proprietary business information. *See, e.g., Louis Vuitton Malletier S.A. v. Sunny Merch. Corp.*, 97 F. Supp. 3d 485, 511 (S.D.N.Y. 2015); *Encyclopedia Brown Prods., Ltd. v. Home Box Office*.

Hon. Katharine H. Parker

Page -2-

Inc., 26 F. Supp. 2d 606, 614 (S.D.N.Y. 1998); *see also Nixon*, 435 U.S. at 598 (recognizing need to seal information that might “harm a litigant’s competitive standing”).

Here, the discussions in the transcript concern confidential details of Spectrum’s alleged trade secrets and internal emails. This information is competitively sensitive and proprietary information of Spectrum, respectively, that, if disclosed, would pose a substantial risk of harm to Spectrum, and constitutes “Highly Confidential – Attorneys’ Eyes Only” information under the Protective Order. (DI 156.). This is the sort of competitively sensitive information that courts consistently protect from disclosure. *See, e.g., Ferring B.V. v. Allergan, Inc.*, No. 12-cv-2650, 2017 U.S. Dist. LEXIS 150239, at *16 (S.D.N.Y. Sep. 7) (granting motion to seal documents containing proprietary information related to product development); *Encyclopedia Brown*, 26 F. Supp. 2d at 612 (sealing documents reflecting sensitive trade secret information). This is particularly the case where, as here, the information to be sealed was not relevant to the Court’s resolution of any issue. *Cf. Bernstein v. Bernstein Litowitz Berger & Grossman LLP*, 814 F. 3d 132, 143 (2d Cir. 2016) (denying sealing request where documents were “highly relevant to the exercise of Article III judicial power”).

Plaintiff’s counsel has conferred with Defendants’ counsel who does not object to Plaintiff’s request for the redactions.

Spectrum’s request is narrowly tailored to protect highly confidential information and does not deprive the public of access to critical information. Spectrum respectfully requests that the Court permit the requested redactions in the publicly available version of the April 28, 2021 transcript (DI 256).

Respectfully submitted,

/Neil F. Greenblum/
